We Make EV Charging Easy

Ampvolts Limited

(Formerly known as Quest Softech (India) Limited)

Annual Report 2024-25

Based on the fast dynamics of evolving market scenarios, ampvolts Limited has focused primarily on the B2B sector for minimum usage guarantees. This fixed long term contracts will ensure predictable monthly and yearly power consumption, which will ultimately give steady income of charging. Keeping the main focus on charging income revenue, coupled with true green mobility, we have embarked on our orbit shifting journey from Charge Point Operator (CPO) to Green mobility solution provider.

As per our tag line - **"We make EV charging Easy"**, we have been associating and further planning to collaborate with various cab operators, truck operators / Local Service Providers (LSP) and fix route contracts, which ensure bulk charging requirements.

Once the enabler infrastructure, i.e., the charging hubs, with predicted charging pattern backed with long term contracts is in place, we will further power it with renewable energy. These initiatives will not only accelerate the adoption of electric vehicles in the country among corporate clients as well as B2C retail users, but also tackle climate change challenges, mitigate operational (freight) costs, and provide easy transition path to meet corporate ESG goals. We are committed to closely working with industry stakeholders, policy makers, green funds, CSR, and other agencies that are working towards common goals.

We believe in solving clients' issues with possible best solutions. ampvolts has been proactively putting up truck charging hubs, giving massive advantages to the corporate clients, OEM, LSPs as well as infrastructure developers. By working with these stakeholders, we are paving the way for development of new routes, beating range anxiety and also assuring reduction in the Total Cost of Ownership (TCO).

With the enthusiastic support from learned investors, banking organizations, fund houses, and end users, we are confident that in the coming years, we will be able to give dependable solutions for green mobility to the corporates, B2B clients, as well as retail consumers. We see huge opportunities in the coming time, which provides us with the opportunity to extend our journey for developing full green eco-system, right from green power production till consumption, with backward and forward integration.

THE INSTRUCTIONS TO THE SHAREHOLDERS FOR REMOTE E-VOTING:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through PURVA e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(i) The voting period begins on Tuesday, September 09, 2025 at 11:00 a.m. and ends on Thursday, September 11, 2025 at 5:00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 05, 2025.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020,** under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders**, **by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. ANNEXURE B

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND REGULATION 36 of SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 REGARDING SPECIAL BUSINESS:

The following Statement sets out all material facts relating to the Special Business mentioned in the accompanying notice.

Item No. 3

Pursuant to recent amendments to Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), a listed entity is required to appoint a Secretarial Auditor for a term of five consecutive years, subject to Members approval at the Annual General Meeting.

In this regard, based on the recommendation of the Audit Committee, the Board of Directors, at its meeting held on 13th August, 2025, approved the appointment of Mr. Mehul Bambhroliya, Practising Company Secretary (Membership No. 28191) as the Company's Secretarial Auditor for five consecutive years commencing from FY2025-26 to FY2029-30, subject to Members' approval, after taking into account the eligibility of the qualification, experience, independent assessment, competency and Company's previous experience based on the evaluation of the quality of audit work done by him in the past.

The Company has received a consent letter from Mr. Mehul Bambhroliya, confirming his willingness to undertake the Secretarial Audit and issue the Secretarial Audit Report in accordance with Section 204 of the Act along with other applicable provisions, if any, under the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended.

Mr. Mehul Bambhroliya hereby affirms its compliance with Regulation 24A(1B) of the Listing Regulations in providing services to the Company. Further, Mr. Mehul Bambhroliya confirms that he holds a valid peer review certificate issued by ICSI and it fulfills all eligibility criteria and has not incurred any disqualifications for appointment, as outlined in the SEBI circular dated December 31, 2024.

Mr. Mehul Bambhroliya is a leading Practicing Company Secretary with over 15 years of experience in delivering comprehensive professional services across Corporate Laws, SEBI Regulations and FEMA Regulations. His expertise includes conducting Secretarial Audits, Due Diligence Audits, Compliance Audits etc.

Based on the recommendation of the Audit Committee and in consultation with Mr. Mehul Bambhroliya, the Board approved the mutually agreed remuneration. In addition to audit services, the Company shall also obtain such permitted services as are mandatorily required to be rendered by the Secretarial Auditor under various statutory regulations from time to time, for which Mr. Mehul Bambhroliya shall be remunerated separately on mutually agreed terms. The Board of Directors may, in consultation with the Secretarial Auditor, alter and vary the terms and conditions of his appointment, including remuneration, in such manner and to such extent as may be mutually agreed.

None of the Directors, Key Managerial Personnel (KMP) and their relatives are, in any way, concerned or interested in the resolution at Item No. 3 of the accompanying Notice.

The Board recommends the Ordinary Resolution at Item No. 3 of the accompanying Notice for approval by the Members of the Company.

Item No. 4

The Company frequently enters into transactions with parties as defined under Section 2(76) of the Companies Act, 2013 ("Related Parties"). All such transactions are currently undertaken in the ordinary course of business, on an arm's length basis, and are duly approved by the Audit Committee and the Board of Directors of the Company. However, in the future, the Company may be required to enter into certain transactions with Related Parties which may qualify as material related party transactions in terms of the applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. In accordance with Section 188 of the Companies Act, 2013 and other applicable provisions, such transactions require prior approval of the Members.

The Board further assures that the management of the Company either expressly or impliedly shall not enter into any related party transaction to take any personal benefit or to defeat interest of the Company. The details of related parties are mentioned in the resolution.

Your directors recommend the Resolution set out in Item No. 4 of this AGM Notice to the Members for their consideration and approval by Ordinary Resolution.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise in the Ordinary Resolution except to the extent of their shareholding.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Ampvolts Limited
(Formerly known as Quest Softech (India) Limited)
Cabin No. 11, 7th Floor, Times Square,
Andheri Workflo, Next to Sai Service,
Andheri East, Mumbai – 400 069

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. Ampvolts Limited (Formerly known as Quest Softech (India) Limited)** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **M/s. Ampvolts Limited (formerly known as Quest Softech (India) Limited)** for the financial year ended on 31st March, 2025 according to the provisions of:

I. The Companies Act, 2013 (**the Act**) and the Rules made thereunder;

II. The Securities Contracts (Regulation) Act, 1956 (**'SCRA'**) and the Rules made thereunder;

III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

IV. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings - **Not applicable to the Company during the Audit period**;

V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (**'SEBI Act')** to the extent applicable to the Company:

   a. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

   b. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

c. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

d. The Securities and Exchange Board of India (Depositories & Participants) Regulations, 2018; and

e. Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations,1993 regarding the Act and dealing with client.

f. The Memorandum and Articles of Association.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India under the provisions of the Companies Act, 2013 and during the financial year under report, the Company has:

- generally complied with the provisions of the Secretarial Standards referred to above;
- complied with the provisions of the other applicable Acts, Rules, Regulations, Guidelines etc. mentioned above except for the non- compliance of Regulation 33 of LODR for the quarter ended 31st December, 2023 wherein while filing outcome of the Board Meeting the Limited Review Report was not uploaded on the BSE Website. During the year under review, the Company paid a penalty of ₹ 1,23,900/- levied by BSE Limited (BSE). Subsequently, the Company had filed a waiver application requesting relaxation from the said penalty. However, BSE, vide its communication dated 5th June, 2025, informed that the waiver request has not been accepted.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors as per Section 203 of the Companies Act, 2013 read with Rule 8A of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014. The changes in the composition of the Board of Directors, if any, that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

None of the members have communicated dissenting views, in the matters / agenda proposed from time to time for consideration of the Board and its Committees thereof, during the year under the report, hence were not required to capture and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that following event(s)/action(s) had a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

a. The Board of Directors of the company has passed a resolution at its meeting held on July 26, 2023, approving the Rights Issue of Equity Shares of the Company of face value of ₹ 10/- each at issue price of ₹ 30/- each, aggregating amount of up to ₹ 4,800/- lakhs ("the Rights Issue"), to the existing Shareholders (i.e., 8 (Eight) Equity Shares for every 5 (Five) Fully Paid Equity Shares held) of the Company as on the record date ("Eligible Equity Shareholders"). The Company has issued 1,60,00,000/- shares of ₹ 10/- at premium of ₹ 20/- aggregating to ₹ 30/- each which was required to be paid in three tranches of ₹ 10/- each.

Pursuant to 1st, 2nd call and final call and reminder notice, the following number of shares are partly paid:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

This Management Discussion and Analysis report provides analysis of the operating performance of the Company's business as well as discussion on the business of the Company, outlook, risk and opportunities. Statements in this Management Discussion & Analysis Report describing the Company's objectives, projections, estimates and expectation may be "forward looking statements" within the meaning of applicable laws and regulations and actual results may differ.

Industry overview

India aims to expand its electric mobility market, yet the development of EV charging infrastructure, also known as EV supply equipment (EVSE), remains in the early stages. A robust charging infrastructure is crucial for EV market growth, and a healthy ratio between the number of EVs to charging stations is important to encourage early adopters and relieve drivers of range anxiety.

EV sector displayed robust growth in 2024 with uptake shifting from early adopters to the mass market phase in many countries. In 2024, investment in electrified transport surpassed renewable energy, to reach US$757 billion (Source: BNEF). Electric vehicle (EV) sales rose significantly, with over 17.9 million (as of Dec 1, 2024) EVs sold globally, marking a 20% increase from 2023 (Source: BNEF). To support this growth, EV charging installations increased by ~20% to 4.8 million (as of Dec 19, 2024) charging points in 2024 (Source: BNEF).

E-MOBILITY MARKET IN INDIA

The electric mobility sector has also grown significantly over the previous five years, and India is on track to become one of the world's major EV markets by 2030. The market is anticipated to expand at an average annual rate of 49% between 2021 and 2030, propelled by favourable government efforts and policies, rising air quality concerns, and rising fuel prices. India is on track to become the largest EV market by 2030, with a total investment opportunity of more than US$ 200 billion over the next 8-10 years.

Between 2019 and 2020, the industry witnessed a 15% decline in global car sales. However, sales of EVs experienced an unparalleled surge, rising by 43% in the same timeframe. The increase in EV sales prompted the expansion of other parts of the e-mobility ecosystem, such as the charging infrastructure segment, which increased by 40% from 2020 to 2021, to 1.8 million publicly available charging infrastructure points. Between 2020 and 2021, global battery demand more than doubled to 340 GW. Between 2022 and 2030, the e-mobility sector is expected to increase at a 22.5% annual rate, reaching US$ 1.1 trillion by 2030.

Since 2018, EV adoption in India has expanded at an annualised rate of 55%. Adoption has been particularly strong in the electric 2-wheeler (E2W) and electric 3-wheeler (E3W) divisions. India accomplished a significant milestone, with the sale of 1 million EVs in 2022. New innovative business models and technologies emerge in this space, and the Indian start-up ecosystem is poised to lead the way for the mobility market revolution.

Business Overview:

Rising fuel costs and increasing awareness of climate change are driving individuals toward greener mobility solutions, particularly electric vehicles (EVs). This year has witnessed significant growth in car sales, with numerous automotive OEMs launching or showcasing prototypes of upcoming EV models. Several highly

anticipated models have demonstrated impressive sales figures, reinforcing a positive outlook for the future of electric mobility.

The Company offers a wide range of charging products and services, including home charging solutions, public charging stations, and fleet management solutions. The products are designed to meet the needs of both electric vehicle owners and businesses that are looking to invest in electric vehicle charging infrastructure. Along with the trading of EV Chargers/stations the company also operates its own charging stations. It also provides different services to the EV Chargers like installation of Chargers, check feasibility and also provides Annual Maintenance Services (AMC Services) to the installed chargers.

Electric Vehicle (EV) Charging Station Business:

EVs are cheaper to run and maintain, safer to drive, and better for the environment, ticking all boxes when it comes to preferences of modern car buyers. EVs continue to prove themselves as viable alternatives to petrol and diesel cars. Hence, EV charging stations are becoming more and more available as greater EV adoption is taking place. The requirement & demand of EV penetration is increasing day by day in India and world. The charging infrastructure availability also played a significant role in EV adoption rates.

Indian Government, in its push for green environment, has been advocating to move from fossil fuel to green fuel. To make this possible, Government of India has a vision to have maximum electrical vehicles by the year 2030. By 2030, the country is forecasted to be home to 102 million EVs, with 2.9 million public charging stations needed to accommodate the growing EV adoption. This increasing number of public charging stations is expected to be driven by a range of players, such as pure-play charge point operators, oil marketing companies, utilities and EV fleet operators.

The Company is operating under both the verticals COCO model and trading model. COCO refers to the money spends towards procuring, installing and maintaining the EV chargers all at its own cost. For chargers that are sold the company provides the service of procuring, installing and provide AMC services for a price. The company has tried to develop the Sale vertical but the response and sale of the charging machines was not picked up. The Company has decided to go for COCO model where the company makes investment in developing own charging station network. Once the chargers are live for usage the company will get regular income.

SWOT ANALYSIS

STRENGTH

a) Company has tied up with regular supply of chargers with the Company having developed the quality product
b) Professionally managed board of Directors
c) End to End Charging Services
d) Scalable Infrastructure Development

WEAKNESS

a) New entrant in the field of EV charging Station
b) The industry depends upon Government Policies
c) Charging Time Comparing to ICE Counterparts.
d) For passenger cars and LDVs only

OPPORTUNITY

a) Growing field of Eclectic Vehicles
b) Advanced World-Wide infrastructure set up

THREAT

a) Uncertain Consumer Behavior
b) The high cost of battery restrict the growth of business
c) Uncertain impact on distribution Grids

Outlook

The Electric Vehicle (EV) industry in India is witnessing rapid growth, driven by supportive government policies, increasing environmental awareness, and advancements in battery and charging technologies. The Government of India's initiatives under the FAME-II scheme, state-level EV policies, and the push towards net-zero emissions by 2070 are expected to accelerate adoption across two-wheelers, three-wheelers, passenger cars, and commercial vehicles.

Rising fuel costs, improving charging infrastructure, and declining battery costs are further boosting consumer acceptance. Industry analysts anticipate a compound annual growth rate (CAGR) of over 40% in EV sales in the coming years, with significant opportunities in electric two-wheelers and public transportation electrification.

However, the sector also faces challenges, including the need for greater charging infrastructure penetration, battery recycling solutions, and local manufacturing capabilities for key components. In the medium to long term, with increasing R&D investment and public-private partnerships, India's EV industry is expected to transition from a nascent stage to a globally competitive market.

CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members
Ampvolts Limited
(Formerly known as Quest Softech (India) Limited)
Mumbai

I have examined the compliance of Corporate Governance by Ampvolts Limited (formerly known as Quest Softech (India) Limited) ("the Company") for the financial year ending on March 31, 2025, as stipulated in Regulations 17 to 27 and clauses (b) to (i) and (t) of sub-regulation (2) of regulation 46 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

The compliance of conditions of Corporate Governance is the responsibility of the Management of the Company. My examination was limited to review of the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in Listing Regulations.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted its affairs.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Ampvolts Limited (Formerly Known as Quest Softech (India) Limited)

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **Ampvolts Limited (Formerly Known as Quest Softech (India) Limited)** ("the Company"), which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and its profit, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key Audit Matters ('KAM') are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current audit period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no key audit matters to be disclosed.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We considered quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **"Annexure A"**, a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143 (3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this report are in agreement with the books of account;

   (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Indian Accounts Standards) Rules, 2015 as amended;

   (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

   (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **"Annexure B"**; and

   (g) In our opinion, the managerial remuneration for the year ended March 31, 2025 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act.

   (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

      i. The Company did not have any pending litigations, which have impact on its financial position in its financial statements except Income Tax appeal is pending for the AY 2012-13 and outcome of appeal is awaited (Refer Note 32).

      ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

      iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2025.

      iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has not declared dividend during the current year in accordance with Section 123 of the Act, as applicable.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended 31 March, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software's. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company since 01 April, 2024.

(e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

(f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries.

x. (a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (x)(a) of the Order is not applicable.

(b) The Company According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made right issue of equity shares during the year, the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with. (Refer Note 43)

xi. (a) To the best of our knowledge, no material fraud by the Company or on the Company has been noticed or reported during the course of our audit.

(b) To the best of our knowledge, no report under Sub-section (12) of Section 143 of the Companies Act has been filed by Secretarial Auditor or us in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and up to the date of this report.

xii. The Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

xiv. (a) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports issued to the Company during the year and covering the period up to March 2025.

xv. In our opinion during the year the Company has not entered into non-cash transactions with any of its directors or directors of its holding company, subsidiary company or persons connected with such directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

ANNEXURE - B TO THE AUDITORS' REPORT

To the Members of
Ampvolts Limited (Formerly Known as Quest Softech (India) Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Ampvolts Limited (Formerly Known as Quest Softech (India) Limited)** ("the Company") as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

1. Company overview

The Company was originally incorporated on 27th March, 2000 as Quest Softech (India) Private Limited and subsequently, pursuant to Section 31 & Section 21 read with section 44 of Companies Act, 1956 incorporated on 18th March, 2008 as Quest Softech (India) Limited to carry on business of providing Software and Hardware consultancy and allied services. The Company has ventured into business sales and services related to Electric vehicle chargers and charging stations since March 2023. Name of the Company was changed from Quest Softech (India) Limited to Ampvolts Limited from June 20, 2024.

1.1 Basis of preparation of financial statements

a) Statement of Compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of the Companies Act, 2013 ("the Act"), read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards (Amendment)) Rules 2016 and other provisions of the Act to the extent notified and applicable as well as applicable guidance note and pronouncements of the Institute of Chartered Accountants of India (ICAI).

b) Basis of Preparation and presentation

These financial statements have been prepared on the historical cost basis, except for certain assets and liabilities which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The statement of financial position (including statement of changes in equity) and the statement of profit and loss are prepared and presented in the format prescribed in Division II of Schedule III to the Companies Act, 2013. The cash flow statement has been prepared and presented as per the requirements of Ind AS 7 "Cash Flow Statements". The disclosure requirements with respect to items in the balance sheet and statement of profit and loss, as prescribed in Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out under Ind AS and in the Schedule III to the Act. Based on the nature of the services and their realisation in Cash and Cash Equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities.

Company's financial statements are presented in Indian Rupees (INR), which is also its functional currency. All amounts have been rounded off to the nearest lakhs unless otherwise indicated.

c) Key Accounting Estimates and Judgements

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported balances of Assets

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

and Liabilities, Disclosure relating to Contingent Liabilities as at date of financial statements and reported statement of Income and Expense for the period presented. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Estimates & underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

The areas involving critical estimates or judgements pertaining to investments, useful life of property, plant and equipment including intangible asset, current tax expense and tax provisions, recognition of deferred tax asset and Provisions and contingent liabilities. Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Impairment of Investments: The Company reviews its carrying value of investments at cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Useful life of Property, Plant and Equipment including intangible asset: Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Taxes: The Company provides for tax considering the applicable tax regulations and based on probable estimates.

The recognition of deferred tax assets is based on availability of sufficient taxable profits in the Company against which such assets can be utilized.

Provisions and contingent liabilities: Provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions and contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

d) Revenue recognition

As per Ind AS 115, Revenue from sales of Electric chargers is recognized when goods are delivered to the Customer. Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed. Revenue from charging business is recognized as and when charging is done by consumer. Revenue from operations is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Interest Income

Interest Income from a Financial Assets is recognised on a time proportion basis using effective interest rate method.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

Dividend Income

Dividend Income is recognised when the Company's right to receive the amount has been established.

e) Property, Plant and Equipment

Property plant and equipment (PPE) are stated at cost less accumulated depreciation and impairment losses if any. Cost includes expenditure directly attributable to the acquisition of the asset and cost incurred for bringing the asset to its present location and condition for its intended use.

On transition to Ind AS, the Company has elected the option of fair value as deemed cost for buildings and factory buildings as on the date of transition. Other Tangible Assets are restated retrospectively.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress" and are stated at cost.

Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

Residual Value of all the Assets have been considered as NIL.

f) Intangible assets

Separately purchased intangible assets are initially measured at cost. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight- line basis over the period of their expected useful lives. The amortisation period and the amortisation method for intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate.

g) Income Taxes

Income tax expense for the year comprises of current tax and deferred tax. Income Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity in which case, the tax is also recognised in other comprehensive income or equity.

Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Management periodically evaluates positions taken in tax return with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding tax base used for computation of taxable Income.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or in equity).

MAT (Minimum Alternate Tax) is recognized as an asset only when and to the extent it is probable evidence that the Company will pay normal income tax and will be able to utilize such credit during the specified period. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income-tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each Balance Sheet date and written-down to the extent the aforesaid convincing evidence no longer exists.

h) Foreign currency transactions

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Net exchange gain or loss resulting in respect of foreign exchange transactions settled during the year is recognized in the Statement of Profit and Loss.

Monetary assets and liabilities in foreign currency which are outstanding as at the year-end, are translated at the year-end at the closing exchange rate and the resultant exchange differences are recognized in the Statement of Profit and Loss in the year in which they arise.

Non-monetary foreign currency items are carried at cost.

i) Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of availing employee service are classified as short-term employee benefits. This benefit includes salaries and wages bonus and ex- gratia and compensated absences. The undiscounted amount of short-term employee benefits to be paid in exchange of employees services are recognised in the period in which the employee renders the related service

Post employees benefits –

Defined contribution plans – A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards Provident Fund and Employees State Insurance Corporation ('ESIC'). The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which employee renders the related service.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

Defined benefit plans – The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/ superannuation. The gratuity is paid @15 days basic salary for every completed year of service as per the Payment of Gratuity Act, 1972. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. Remeasurement gains and losses arising from adjustments and changes in actuarial assumptions are recognised in the period in which they occur in Other Comprehensive Income.

j) Earnings per share (EPS)

In determining Earnings per Share, the Company considers net profit after tax and includes post tax effect of any exceptional item. Number of shares used in computing basic earnings per share is the weighted average number of the shares outstanding during the period. Dilutive earning per share is computed and disclosed after adjusting effect of all dilutive potential equity shares, if any except when result will be anti - dilutive. Dilutive potential equity Shares are deemed converted as at the beginning of the period, unless issued at a later date.

k) Provisions, contingent liabilities and contingent assets

The Company creates a provision where there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent Assets are disclosed only when an inflow of economic benefit is probable.

l) Cash and cash equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

m) Impairment of non-financial assets

Intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is increased/ reversed where there has been change in the estimate of recoverable value. The recoverable value is the higher of the assets' net selling price and value in use.

n) Impairment of financial assets

The Company recognised loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit and loss. Loss allowance for the trade receivables with

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

no significant financing component is measured at amount equal to life time ECL. For all other financial assets, ECLs are measured at an amount equal to the 12 month ECL, unless there has been significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECLs (or reversal) that is required to adjust the loss allowance at reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit and loss.

o) Measurement of Fair value of financial instruments

The Company's accounting policies and disclosures require measurement of fair values for the financial instruments. The Company has an established control framework with respect to measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses evidence obtained from third parties to support the conclusion that such valuations meet the requirements of Ind AS, including level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If inputs used to measure fair value of an asset or a liability fall into different levels of fair value hierarchy, then fair value measurement is categorised in its entirety in the same level of fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of fair value hierarchy at the end of the reporting period during which the change has occurred.

p) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign exchange forward contracts.

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

(i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss (FVTPL)

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign exchange forward contracts.

(iv) Investment in subsidiaries, associates and joint venture

The Company has accounted for its investments in subsidiaries, associates and joint venture at cost.

(v) Financial liabilities

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(vi) Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are recognised at the proceeds received net off direct issue cost.

(vii) De-recognition of financial instruments

The Company derecognizes a financial liability (or a part of a financial liability) from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

q) Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

NOTES TO THE FINANCIAL STATEMENTS

Note 37. Financial Instruments:

(i) Valuation

All financial instruments are initially recognized and subsequently re-measured at fair value as described below:

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between the willing parties, other than in a forced or liquidation sale.

The fair value of investment in quoted Equity Shares, Bonds, Government Securities, Treasury Bills and Mutual Funds is measured at quoted price or NAV.

The fair value of the remaining financial instruments is determined using discounted cash flow analysis.

The financial instruments are categorized into levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities; and

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The carrying values of the financial instruments by categories were as follows:

NOTES TO THE FINANCIAL STATEMENTS

Note 37. Financial Instruments: *(Contd.)*

(ii) Financial Risk Management

The Company's business activities expose it to a variety of financial risks, namely market risks, credit risk and liquidity risk.

The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The Company's financial liabilities comprise of trade payable and other liabilities to manage its operation and the financial assets include trade receivables, deposits, cash and bank balances, other receivables etc. arising from its operation.

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: Foreign currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk.

Foreign currency risk : Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The carrying amounts of the Company's net foreign currency exposure (net of forward contracts) denominated monetary assets and monetary liabilities at the end of the reporting period as follows:

The Company does not have any exposure to foreign currency and thus does not have any risk from its fluctuations.

Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to Interest Rate Risk

Interest rate risk of the Company arises from borrowings. The Company endeavour to adopt a policy of ensuring that maximum of its interest rate risk exposure is at fixed rate. The Company's interest-bearing financial instruments are reported as below:

(₹ in lakhs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Fixed Rate Instruments		
Financial Assets	3,093.99	1,026.44
Financial Liabilities	1,135.38	5.98
Floating Rate Instruments		
Financial Assets	-	-
Financial Liabilities	-	-

NOTES TO THE FINANCIAL STATEMENTS

Note 37. Financial Instruments: *(Contd.)*

Fair Value Sensitivity Analysis for Fixed-Rate Instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

Cash Flow Sensitivity Analysis for Variable-Rate Instruments

Since there is no variable-rate instruments, hence impact for the reporting period is Nil.

Derivative Financial Instruments

The Company does not hold derivative financial instruments.

Credit Risk

Credit risk arises from the possibility that the counterparty will default on its contractual obligations resulting in financial loss to the Company. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable.

Trade Receivables

Our historical experience of collecting receivables is that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets. Credit risk has always been managed by each business segment through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

Other Financial Assets

Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks and financial institutions with high credit ratings assigned by international and/or domestic credit rating agencies. Investments primarily include investment in liquid mutual fund units, quoted bonds issued by Government and Quasi Government organizations and certificates of deposit which are funds deposited at a bank for a specified time period.

Liquidity Risk

Liquidity risk refers to risk of financial distress or extra ordinary high financing cost arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and require financing. The Company's objective is to maintain at all times optimum levels of liquidity to meet its cash and collateral requirements. Processes and policies related to such risk are overseen by senior management and management monitors the Company's net liquidity position through rolling forecast on the basis of expected cash flows.
